

FISHBEIN/YMCA COMMUNITY ROAD RACE

Local Businesses & Friends of Greater Wallingford,

The Wallingford Family YMCA is a charitable organization, with a mission to strengthen the foundation of the community through programs, services and relationships that build a healthy spirit, mind and body. We invite you to join us in supporting people in need in our community through sponsorship for our most important community event, the **2026 Fishbein/YMCA Community Road Race** on Sunday, October 4, in collaboration with Celebrate Wallingford. With the center of Wallingford closed off for this town-wide event, thousands of people look forward to the fun and excitement each year!

All proceeds go towards our **Community Support Campaign**, which funds **LIVESTRONG® at the YMCA**, our cancer survivor program, as well as providing much needed financial assistance for all our programs and services. As a non-profit organization, the Y relies on contributions from members and other friends to promote the healthy development of all regardless of their financial means. **100%** of each contributed dollar goes to subsidize the cost of programs for children, families and seniors and to give financial assistance to those who need it.

We hope that you will join us in the spirit of giving and support the Greater Wallingford community. Thank you for your generosity and we look forward to having you as a community partner.

With warm regards,

Sean Doherty
Executive Director

Every dollar donated has a lasting impact on the people right here in our community:

From newborns at both of our YMCA Learning Community centers to 8th graders in Enrichment & Leadership for Middle School, our **child care** programs provide youth with the tools and resources they need to succeed in life. We provide experiences to help entire family units cope, grow, communicate and care for each other.

Upward Bound helps students in grades 5-12 & recent graduates develop social skills, analytical thinking and self-esteem by creating an atmosphere where youth & teens feel safe, valued and free to express themselves.

Every summer, children from ages 4 to 15 build character, form lifelong friendships and experience the adventure of a lifetime at **Camp Ulbrich. Race 4 Chase** provide kids with a safe, healthy non-competitive environment to discover the sport of triathlon and empowers them to reach their full potential.

The YMCA's **Safety Around Water** program teaches kids water safety skills that help reduce the risk of drowning and builds confidence in & around water. Thanks to the Connecticut Department of Energy & Environmental Protection, we are able to offer free **swim lessons** to qualified youth.

With **Membership for All**, funds from the Community Support Campaign are distributed on a sliding scale to those with a documented need in our community. We also are a day shelter & offer **community guest passes** for this population.

Our **Parkinson's Water Aerobics** class is specifically designed to keep individuals with Parkinson's mobile & fit. In **Fit to Go**, middle school youth learn about healthy living & nutrition and develop a focused & realistic workout program that they can continue. We also offer a Stage 4 Cardiac Rehab program, **Healthy Hearts!**

LIVESTRONG at the YMCA is a physical activity & well-being program designed to help adult cancer survivors achieve their holistic health goals. It offers people affected by cancer a safe, supportive environment to participate in physical and social activities focused on strengthening the whole person.
